Dated: 15-09-2021

TO WHOSOEVER IT MAY CONCERN

I have inspected the building of Kendriya Vidyalaya Port Trust on 13-09-2021 and it is found that the buildings are structurally safe for running the school for the year 2021-22. The top floor sloping sunshades at both sides of front block are in damaged condition, plastering & concrete peeled out from under side and required repair works.
